**Re: Ex Parte Presentation**  
**WT Docket No. 99-168; GN Docket No. 01-74**

Dear Ms. Dortch:

On May 24, 2002, Diane Cornell, Vice President for Regulatory Policy for the Cellular Telecommunications & Internet Association ("CTIA"), had a phone conversation with Bryan Tramont, Senior Legal Advisor for Commissioner Abernathy, and Marsha MacBride, Chief of Staff, Office of Chairman Powell, regarding issues related to a delay of the scheduled June 19<sup>th</sup> auctions of the Upper and Lower 700 MHz Bands. She indicated that spectrum management goals would be better served if these auctions were delayed so that prospective bidders could obtain greater certainty and clarity regarding the availability of the 700 MHz bands, before the spectrum is auctioned.

Sincerely,

Diane Cornell
